RESEARCH CELL

Vision

To establish Shree Ram Ayurvedic Medical College and Hospital as a center of excellence in Ayurvedic research, fostering a culture of innovation, collaboration, and evidence-based practice.

Mission

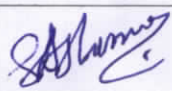

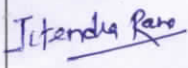

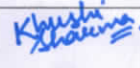

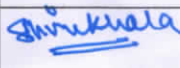

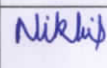

To promote and conduct high-quality research in Ayurveda, focusing on the development of new treatments, therapies, and products, while also exploring the scientific basis of traditional Ayurvedic practices.

Objectives

We want to promote research culture, conduct interdisciplinary research, foster collaborations between Ayurvedic and modern medical professionals, scientists, and researchers to develop innovative solutions for healthcare challenges, develop ayurvedic research methodologies, publish research finding & moreover translate them into practice. For the same, the research committee members have been revised consequent to the resignation of certain faculty members and the completion of the academic tenure of the outgoing student batch necessitating the replacement of outgoing student representatives with representatives from the newly admitted batch to reflect the current faculty and student composition for effective functioning of the cell w.e.f. 03.08.2026.

Revised Research Cell Members

12	Mr. Ravi Kumar, Ms. Ayushi Sharma	3rd Prof. batch (2021-22)	jainiyaravi1@gmail.com, ayushi.a.s1907@gmail.com	8755716377, 9536989811	

Meetings and Reporting

The Research Cell will meet quarterly to discuss ongoing research projects, review new proposals, and plan research activities. The Convener will submit a quarterly report to the Chairperson, highlighting the Cell's activities, achievements, and challenges.

By establishing a Research Cell, Shree Ram Ayurvedic Medical College and Hospital can foster a culture of innovation, collaboration, and evidence-based practice, contributing to the advancement of Ayurvedic research and healthcare.
